

Resolution I SEBD Scientific Outreach Award 2024

Dear members,

It is with great pleasure that we announce the resolution of the first call for the **SEBD Scientific Outreach Award 2024**. The Board of Directors has selected the candidacy of:

Dr. **LUIS MARÍA ESCUDERO CUADRADO**, Associate Professor at the University of Seville.

The Board has highlighted, among other merits, the candidate's extensive track record in outreach activities in various formats and the impact of the dissemination of his research work, which has reached high levels of popularity as evidenced by the inclusion of scutoids in the world of design, fashion, and comics.

The award will be presented during the SEBD 2024 congress to be held from October 16th to 18th in Sant Feliu de Guíxols.

On behalf of the Board of Directors, we would like to express our sincere congratulations to the selected candidate, as well as to all the candidates who participated in this call, and who, through their dissemination work, demonstrate to society the importance of developmental biology research.

Best regards,

SEBD
